Why us?

Learning Arabic was never easier! Online access to our digital classes through Alsharq Reise allows learning your favorite language from the comfort of your home. We meet once a week to take a closer look at Arabic together, and guide you smoothly to reading, writing, and speaking one of the most poetic languages known.

What should you expect?

In this course, we will be covering the whole spectrum of linguistic skills you require to set up a solid base for a smooth Arabic learning journey. With the help of the Arabic booklet - designed by your teacher, we will jump between saying hi and introducing ourselves, asking about others' names, nationalities and place of living to learning about the Arabic Alphabet, glimpsing into the beautiful art of Arabic calligraphy, and writing simple vocabs. We will learn, throughout our trip, how to form useful sentences using basic grammar skills and basic adjectives. We'll have fun learning using in-class activities, quiz games, videos, and songs (learning love vocabs through songs is a heartwarming addition!)

What are the learning objectives?

At the end of this ten-class course, you will be able to carry out a short conversation, ask questions about other people, read simple Arabic text, and enjoy writing with delightful calligraphy. To be more specific, you will:

- Read and write the Arabic Alphabet.

- Pronounce Arabic words using Levantine dialect.
- Express yourself with useful, grammatically-correct, sentences and questions.
- Greet, farewell and introduce yourself.

Content Right Column:

- Ask about names, nationalities, and place of living and residing.
- Reading and counting numbers from 0 -100.
- Use possessive pronouns, subject pronouns and demonstratives to form useful sentences.

Why Levantine?

Learning a language is always about engaging with the community and getting a true sense of what that language represents to locals, and how they interact on a daily basis. That's why we chose for our course the Levantine dialect, one of the six main varieties of colloquial Arabic spoken across the Arab world, as it is the main vernacular spoken in Syria, Lebanon, Palestine and Jordan. Compared to the Modern Standard Arabic (MSA), used more formally, Levantine dialect is easier to pronounce and understand, widely spoken, and more accessible being adopted by most of the art and cultural movements in the Arab world.

By booking this language course, you are choosing a 10-week group language course, which will take place online once a week. It starts on Friday, 19th September 2025 from 06:30 to 8:00 PM (CET). Then there are 9 more sessions, every Friday, at the same time.
